**Bend La Pine School District Waiver**

La Pine Park & Recreation District has sought and acquired a grant to provide after school tutoring and enrichment activities to our middle school and high school students. Part of the outcomes used to monitor success of the program is improved individual student attendance and academic performance. In order to comply with program guidelines it is necessary for La Pine Park & Recreation District to access student attendance and performance data for each student enrolled in the program. This includes letter grade and testing data. Student data collected and reported will not individually identify your student but will be used solely for the purpose of reporting program progress.
